REVIVAL AT BAINBRIDGE CHURCH.

Rev. R. D. Garland, of Keysville, Va. is Aiding Dr. Thornhill-Much Interest Manifested-Candidate for Legislature-Briefs.

Rev. R. D. Garland, an evangelist of Keysville, Va., is assisting Rev. L. R. Thornhill, D. D., pastor of Bainbridge-Street Baptist church, in a revival. The nightly meetings are being largely attended, considering the bad weather, and much interest is being manifested.

The revival, for such it has proven, is the result of a week of prayer-meetings, held recently by the paster, in which be was assisted by pastors of Richmond. Already there have been several conversions. Mr. Garland is regarded as a man of experience and power in revival work. He is middle-aged, an easy, strong speaker, and a safe and conservative man to follow as a leader.

HOW THEY SEE IT.

Two ex-members of the Sixth Virginia Regiment (colored), who went out to fight for their country, and who were recently nustered out, met up yesterday on one of the Hull-street cars, and were giving each other their views on things generally. One said: "Well, I am glad I'm back, and I don't want any more in mine." "Yes," declared the other, "dat's true. Ours was a hard lot, anyway. When the white soldiers went away thousands of white people went down to the train to see them off. The bands played 'Dixie' and 'De Girl I Left Behind Me.' When we went off dere won't any white folks at all to see us off, and very few niggers. And instead of de band playing 'De Girl I Left Behind Mc,' played 'Hope You'll Never Come Back Any More.' I'm back, and I am purty glad of it." SILVER TEA ENJOYED.

The "silver tea" given last night at the esidence of Mrs. W. L. Barrett, in swansboro', for the benefit of Clopton-Street Baptist church was quite a social event of the town and much enjoyed. The thermometer for the past two nights has ranged as low as 2 degrees be-low zero, which is the coldest weather experienced so far this winter. In one section of the county the thermometer

With the spring elections four months off, candidates have begun to enter the field for the numerous offices to be then filled. There are six magisterial districts in the county, each of which elects a commissioner of the revenue, and so far, in four of the districts, there are just twenty-two Democratic candidates, one alone there are nine for the one office. The other two districts are yet to be heard from.

Complimentary to Dr. L. S. Foster. (Resolutions adopted by the Teachers' Association of Mathews County.)

Having learned with deep regret that Dr. L. S. Fester, our efficient and popular Superintendent of Public Instruction, has received an appointment that will remove him from our midst, and so sever his pleasant and useful connections with our

A wealthy lady recently lost a satchel containing jewels worth \$150,000, and now offers a reward of \$20,000 cash to the finder. The loss of health is far more serious than the loss of jewels, and yet it can be recovered without paying big rewards. A little money invested in Hostetter's Stomach Bitters will restore strength to the weak, purify the blood, establish regularity of the bowels, and help the stomach to properly digest the food taken into it. A. J. CHEWNING can be found at the old stand. No. 6 NORTH TENTH STREET, where he is prepared to manage all affairs appertaining to the REAL FORTHER DUSTINESS. ESTATE BUSINESS.

The cure of this common and obstinate trouble is found in a treatment which

causes the food to be readily, thoroughly digested before it has time to ferment and

irritate the delicate mucous surfaces of the stomach. To secure a prompt and

healthy digestion is the one necessary thing to do and when normal digestion

is secured the catarrhal condition will have disappeared.

According to Dr. Harlanson, the safest and best treatment is to use after each meal a tablet, composed of Diatase. Asep-tic, Pepsin, a little Nux, Golden Seal, and fruit acids. These tablets can be found at

all drugstores under the name of Stuart's Dyspepsia Tablets, and not being a patent
